

Des Carroll

Investment Banking facing IT

Expert areas: All Instrument Classes

Summary

A self-motivated Senior Manager with 20 years experience within the Investment Banking Arena. With proven leadership, programme and project management skills, Des is dynamic, pragmatic and resourceful, and will do whatever is required to deliver.

His excellent leadership and relationship skills, both with senior management, peers, stakeholders, vendors, and internal staff members are put to constant use to ensure agreed objectives are continually being met.

Extensive experience structuring, leading and managing change, integration and optimisation programmes with appropriate governance, budgetary, resourcing control and stakeholder management, ensuring that all expectations are appropriately managed and met, leading to successful delivery of programmes, on time and within budget.

Experience on implementing, integrating various systems and asset classes including Fidessa, PATS, Murex, Archer, Sungard Avantgard Quantum, Loan IQ, ACBS, Calypso, Bloomberg, COLT, CMS, Algorithmics, OASYS Global Direct, Clifford, SwiftNet, Oberon, Reuters.

Product experience to include, Fixed Income (Bonds, Asset Swaps, Synthetic Bonds), Cash Equities, FRA's, CDO's, CLN's other Structured Finance Products, Exchanged Traded Futures and Options, Over The Counter Futures and Options, FX, MM, Derivatives, Commodities, and Repos.

Experience in Front, Middle and Back Office, processes and procedures and business process re-engineering, benchmarking and establishment of "Key Performance Indicators" and appropriate controls and processes.
